

***Limited Transmission Warranty.**

We are committed to quality and excellent customer service. Each remanufactured transmission is backed by Gears Transmission's 3 years, unlimited-miles, nation-wide warranty. Gears Transmission LLC warrants to the registered vehicle owner that each transmission will be free, and perform at, or exceed OEM specifications. Should a failure occur due to workmanship or parts defect, Gears Transmission LLC will repair such problems by providing parts and labor needed. In the event failure occurs within 100 miles, vehicle must be brought back to original repair facility. If distance is further than 100 miles from original repair facility, then vehicle must be taken to an Authorized ATRA repair facility. ATRA repair facilities can be located by the following: contacting original repair facility at **706-956-8333**, online at **atra.com/shopfinder**, or **1-866-GO4-ATRA**. Original Repair Order must be presented to repair facility, in which they will contact us to discuss repair details. Authorization of warrant repairs must be made by warrantor prior to beginning repair.

***Maintaining Transmission Warranty.**

Vehicle must be brought back in, or to an authorized ATRA repair facility, for a complimentary check up within 2 weeks, or 500 miles of original delivery. Transmission must be serviced every 30,000 miles, or per manufacturers specifications. Engine performance, electrical faults, and mechanical problems affecting transmission operation must be addressed prior to vehicle delivery. Should any of the above become problematic after vehicle delivery, then vehicle must be taken to a repair facility immediately. Transmission leaks or performance issues must be reported to Gears Transmission within 48hrs.

***Not covered by Warranty.**

Gears transmission does not cover towing, hotel, airfare, or rental car. Transmission fluid services or routine maintenance. Used transmission, parts supplied by customer, aftermarket parts in lieu of price reduction, or unauthorized repairs made to parts installed by Gears Transmission. Warranties are non-transferrable, unless authorized with written consent by Gears Transmission LLC, or originally registered to a Licensed Auto Dealer with the intent to resale.

***Failure to Comply.**

Transmission failure due to abuse, electrical faults, vehicle alterations made after delivery, unauthorized transmission repairs, engine or drivetrain performance issues, overheating cause by radiator/fan performance, over loading or towing above vehicle rated limits, negligence, or if the vehicle is in an accident will result in transmission warranty being voided. Vehicle must not be used for commercial applications unless specified prior to original repairs. Vehicles used for commercial purposes without consent will result in warranty voided.
